FROM

MAJOR C. T. C. PLOWDEN, I. A.,
SECRETARY TO THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, 8th January 1922

Subject:- Supply of Commemorative Medallions to mark the conclusion of the Great War.

SIR.

I am directed to refer to the correspondence ending with your letter No.Pol-665, dated the 20th December on the above subject. The Government of India intimate that the Auditor General has informed them that the amount due from the Mysore Durbar, which was to have been paid through Messrs Coutts and Company of England vide my letter No.9789, dated the 10th December 1919, has not yet been adjusted. It appears that Messrs. Coutts and Company when approached said that they had no instructions from the Mysore Durbar to pay the sum.

2. The Government of India add that the High Commissioner for India has passed on the debits to India and that all incidental charges connected with the supply of the medallions are being recovered in India, and wish to suggest for the Durbar's consideration the desirability of the cost of the medallions supplied to them being refunded in India.

3. In this connection I am to enclose a copy

of

of a letter No.Ac.283/1239-20, dated the 25th January 1922, from the Auditor General, with a copy of the letter to which it is a reply, and copies of connected correspondence.

I have the honour to be,

Sir,

Your most obedient servant,

SECRETARY TO THE RESIDENT.

from the Assistant Accounts Officer, Delhi, to the Secretary to the Resident in Mysore, Bangalore.

Subject:- Supply of Peace Medallions to commemorate the conclusion of the Great War.

With reference to your letter No.282, dated the 7th January 1922, on the subject mentioned above, I have the honour to inform you that the cost of 50,000 Medallions indented for the Mysore Durbar is £363-18-0 which is being communicated to the Accountant General, Madras for adjustment.

Letter No.282, dated the 7th January 1922, from the Secretary to the Resident in Mysore, to the Auditor General, Delhi.

Subject:- Supply of peace medallions to commemorate the conclusion of the Great War.

I am directed to invite a reference to the letter from the Government of India in the Department of Education to the --- Comptroller and Auditor General No.1253, dated the 5th October 1920, and enclosures, and to forward a copy of a letter No.3466-I,C., dated the 20th December 1921, from the Government of India in the Foreign and Political Department, on the above subject, and to request you to be so good as to intimate the cost of the medallions supplied.

2. I am in this connection to inform you that out of the 53, 150 medallions and Brooch Bars and Blue Ribbons allotted to Mysore, 3150 were for the Bangalore, Civil and Military Station and have been received. The remainder were intended for the Mysore Durbar but the consignment forwarded to them was found to contain only 49,873 medallions and 50,000 Brooch Bars and Ribbons. It will thus be seen that there was a shortage in the number of medallions supplied to the Durbar by 127-- copies of correspondence

on the subject are enclosed for information.

Letter No.11629, dated the 24th December 1920, from the Secretary to the Resident in Mysore, Bangalore, to the Superintendent of Stationery, Bombay.

In continuation of my letter No.10995/180-1919, dated the 11th December 1920, I am directed to state that in actual counting the consignment is found to contain 53023 medallions and 53150 Brooch Bars and Ribbons. It will thus be seen that the shortage in the number of medallions is 127. I am to request that this number of medallions may kindly be supplied if possible.

Letter No.466, dated the 11th January 1921, from the Superintendent of Stationery, Bombay, to the Secretary to the Resident in Mysore, Bangalore.

With reference to your letter No.11629/180/1919 dated the 24th December 1920, I have the honour to state that the correct quantity of Medallions appears to have been packed in the package and that it is not understood how the deficiency has occurred, I request I may be informed whether the package showed any signs of having been tampered with in transit. A note of the shortage has been taken by this office and it will be made good if possible from the balance which may remain in hand after the whole distribution is completed as no surplus stock is at present available for the purpose.

Letter No.851/180-/1919, dated the 27th January 1921, from the First Assistant to the Resident in Mysore, to the Superintendent of Stationery, Bombay.

With reference to your letter No.466, dated the 11th January 1921, I am directed to state that, out of the 4 boxes containing medallions, three were received in good condition being securely

packed

packed in dealwood cases lined with tin, while the fourth box had no tin lining and had a hole through which the medallions might have dropped out.

Letter No.2997, dated the 12th March 1921, from the Assistant Superintendent of Stationery, Bombay, to the Secretary to the Resident in Mysore, Bangalore.

In continuation of this office letter No.466, dated the 11th January 1921, I have the honour to state that Government in their Memo No.1160 dated the 26th ultimo Educational Department, Bombay, have intimated that no further quantity of the Medallions asked for to meet the shortages and to provide for extra demands from some officers will be forwarded to India as the contracts in connection therewith have been closed. I regret that the balance of the Medallions due to you cannot therefore be sent.
